Who is RTLACO? The Right to Life Action Coalition of Ohio (RTLACO) is a true grassroots statewide coalition of rural, local, county, and metropolitan and metropolitan Pro-life, Pro-Family organizations across Ohio. RTLACO is the only statewide Pro-life, Pro-family grassroots coalition that is comprised of all volunteers.

All monies raised fund our mission.

How will Your Donations Help SAVE LIVES?

Supporting Placement & Maintenance of Safe Haven Baby Boxes in

our 5 Districts: Since the first Safe Haven law passed in Texas, over 4,425 infants have been surrendered nationwide and adopted, according to the National Safe Haven Alliance (Oct. 11, 2023). The baby boxes effectively save babies lives whose mothers are frightened and feel they have no place to turn. We support all efforts to preserve innocent lives and this is an effective way to help make this option available and recognizable in our 5 districts across Ohio. *A magnificent way to promote life!*

Providing Educational Outreach: It's time to get back on our feet and *turn the tide* toward respect and dignity of innocent human life.

Training and educational scholarship programs for members (adults and students); professional life seminars; pro-life curriculums for churches, civic & community groups and palm cards for each of our policies.

Website Upgrade is a desperate Need: The website is inadequate as we expand our services; our online presence needs an immediate upgrade. To promote, speak up for, and write about Life Issues, our members and general public need a verifiable source of data and resources to Defend Life in Ohio.

Legislative Engagement: We know that *politics is downstream from culture* and our challenges will be many in this arena. We are engaging local, state and federal legislators. Together we are strategizing the best practices to protect life in Ohio. Engaging in regularly scheduled meetings with our pro-life endorsed candidates, we will provide ideas, talking points, and follow through regarding life-focused legislation.
